FORT LAUDERDALE, FL, January 28, 2008 – The 2008 Transportation Research Board (TRB) Freeway Operations Committee / International Bridge, Tunnel and Turnpike Association (IBTTA) Joint Conference abstract submission deadline is February 1, 2008.

The 2008 Freeway and Tollway Operations Conference call for abstracts is about to come to a close. If you would like to be part of this exciting conference's program, be sure to submit an abstract by February 1, 2008. The focus of this conference will be on freeway and tollway operations and how pricing and public-private partnerships may impact the future. The conference will have four tracks with the following topics:

- Expressway/Motorway Management
- Tollway and Tolling Operations/Managed Lanes
- Operations and Control Center Technologies
- Safety in Incident Management

Abstracts should be no more than 400 words in length any topic relevant to the conference. The intent is to identify presentations for the conference (i.e., no paper is required). If you would like to submit a paper at a later date to be included in the proceedings, please indicate this in your submittal. For topic ideas and abstract submission, please visit www.2008ftoc.com/submitabstract.aspx. The deadline for abstract submission is February 1, 2008. Authors will be notified by March 1, 2008.
